

# FrontEnd Developer – Kirill Kovalev

## General Information

**Date of birth:** 15.01.2002

**Location:** Minsk, Belarus (Ready for relocation)

**Mobile Phone:** +375293904490

**Email:** [kirill.kovalev1502@gmail.com](mailto:kirill.kovalev1502@gmail.com)

**Skype:** kirill.kovalev1501

**LinkedIn:**

<https://www.linkedin.com/in/kirill-kovalev-517143253>

**Site:**

[https://darkcrew.github.io/my\\_CV/](https://darkcrew.github.io/my_CV/)

**Experience:** Internship at softarex (05-07.22) and (03-04.23) with a job offer

**Education:** Belarusian State University of Informatics and Radioelectronics

**Specialty:** Automated information processing systems

**Qualification:** IT software engineer

**Foreign languages:** English (intermediate)

**Front-End Courses, Certificates:**

- [React \(JavaScript\), The Rolling Scopes School \(December 2022\)](#)
- [JavaScript/Front-End \(Stage 0, Stage 1, Stage 2\), The Rolling Scopes School \(September 2022\)](#)

**About me:**

Ever positive and never negative front-end developer with 1.5 years experience gained in internships in companies and online courses provided by EPAM company (html, js, css, react). Also I studied Android development (Java and Kotlin) for 2 years.

I have 5 years experience as a freelance designer. During this time I had a lot of communication with clients, which thought me to find a common language, competently resolve controversial issues and make customers happy with the work performed.

## Technical Skills

- |              |         |               |
|--------------|---------|---------------|
